Take a consistent photo for everyone

*Monthly Newsletter - Content & formal announcement

Should we name it?

*Survey sent out – How often do you want to hear from the FSCA?

Weekly | Monthly | Quarterly | Annually | Never

What should the newsletter content be?

Increase the amount of revenue generated annual in an effort to further support the State Shoot, SCTP, & the Honeybelles. Options to explore:

- Sell FSCA gear/merchandise through an on-line store
- Sell advertising space to vendors to post their logo's & hyperlinks on the FSCA Website
- Sell advertising space on products/merchandise sold on the on-line store
- Increase target fee's for all shoots from the current \$0.02 per target to something more. Keep in mind we will get a lot of revenue from out of state shooters

- Art will help Dan with some other revenue ideas

* Discussion on Club costs & lunch provided

Do shooters like lunch option or would rather have reduced entry fee and no lunch?

Some club entry fees are getting high and poor lunch options or execution of providing lunch

*Wendel provided a summary on SCTP Nationals event
